601 West 26th Street,  
Suite 350,

**DEAR ZIMMERMANN TEAM,**

I am writing because the work in Zimmermann fascinates me! I find the design aesthetics and choice of fabrics innovative, influential and truly elegant. And it is with great enthusiasm that I submit my application as a Creative design intern at Zimmermann, in New York, NY, for this upcoming summer 2019.

Currently, I am a senior at the Savannah College of Art and Design (SCAD) pursuing a Bachelor's degree in Fashion Design. Creativity is my greatest tool, and I have a strong comprehension of the human figure. I can inspire a positive team environment and always very flexible and responsive to any situation. I have attached my resume and link to my online portfolio for your review. I am certain I have the appropriate skills and qualifications to do a great job on this position.

I would love to have the opportunity to meet with you at your convenience, to discuss the value I can bring to the team. I will very much appreciate your consideration and look forward to hearing from you.

Sincerely,

Diana Sucre H.
